FOOD & DRINKS

Welcome

WÜRZBURGER HOFBRÄU

Since 1643, beer has been brewed with passion and the highest quality at the foot of the Fortress Marienberg. As the oldest company in Würzburg, Würzburger Hofbräu stands not only for exceptional beer enjoyment, but also for a living tradition and a strong connection to the region.

The crown of Prince-Bishop Johann Philipp von Schönborn, the brewery's founder, still shapes the Brauerstern logo today – a symbol of quality and craftsmanship.

Come by and experience the joy of life in Würzburg!
